**HOMELAND SECURITY
WATERWAY WATCH
PROGRAM**

Because of the recent terrorist attacks within the U.S. there has been an increased public awareness of illegal activities. Much like the Neighborhood Watch program, this program is meant to inform, educate, and enlist the assistance of all persons who witness suspicious activities. It provides information on what to look for and who to call and is meant to cause uncertainty in the minds of potential terrorists and criminals. Be our eyes and ears so we can help calm your fears!
